CRIST MISS BLUES

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 268 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Sarah continues to reveal all the crush and crashing about of events in her life from the age of thirty one to thirty three. And the person that she tells this to is me, your humble author. To be honest, I am no more than a simple scribe to the fascinating narrative that Sarah weaves and spins around me. The once potent Aarons rod rears its vivid double head again as it asserts itself into the machinations of a hugely secretive yet hugely successful cult that seeks power supreme. There is almost no boundary that they will not cross in order to possess that which Sarah and her clan already possess. Yet her clan is unaware of that very fact. Priestly spies surround her clan and are obsessed with finding their scepter which they believe will open the door to the kingdom of which they will then become lord and master over. This comely weapon is truly a simple wood stave, granted to Aaron, Moses brother, so that the form and shape of beneficent glory might be deeply planted into human soil; terrain of the human spirit whereby God might then watch his flock thrive. In the wrong hands, though, this wood hewn staff shows a terrible wrath and an explosive dominance of the world about it. Humbler happenings unravel through these two short years as well. The wealthy suburbs of Washington D. C. , Savannah, Georgia, and Seattle, Washington all throb with the more mundane of adultery, alcoholism, pregnancys calling and its demise as well, the complexities of the expansion of social networking online and the incumbent rights to privacy within. There is advocacy and decency in addition. Children grow...
