THE LAW OF THE SPIRIT OF LIFE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Freedom can only be fully understood through experiencing it. Every human being that has ever lived was born with an innate awareness of the existence of this thing called freedom. The hunger for freedom has charted the course of the entire human race. The pages of history are forever marked by the pursuit of freedom, because within every one of us there is a knowing that we were created to be free. Yet, to hunger for something does not always mean that we understand it or know how to pursue it. Often, we want the freedom but are unwilling to pay the price to obtain it. However, if we really understood just how much difference the freedom would make in our life, no personal cost would be too great to offer in exchange for it. Real freedom can only be realized through living according to the Spirit, because that is where the Life-flow of God abides and operates. Romans 8.2 tells us that the Law of the Spirit of Life in Christ Jesus has made us FREE from the law of sin and death. We have been liberated from its bondage. We no longer have to live shackled to the consequences of the law of sin and death - because the Law of the Spirit of Life has made us free. In this inspiring book, readers from all walks of life can learn and experience true freedom in every sphere of life through embracing the Spirit of Life in Christ Jesus and the victory found in Him.
