

Rhetoric and Ethic: Politics of Biblical Study (Paperback)

By Elisabeth Schussler Fiorenza

Augsburg Fortress, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this major study, leading feminist biblical critic Elisabeth Schussler Fiorenza focuses on Paul and his interpreters. She questions the apolitical ethos of biblical scholarship and argues for an alternative rooted in a critical understanding of language as a form of power. Modern biblical criticism, she reasons, derives much of its methodology and inspiration from an outdated notion of modern science. It professes value-neutrality and detachment from the world of politics and history. Yet, Schussler Fiorenza maintains, this posture belies an objectivity that fails to engage the sociopolitical context of both the text and today's reader. It also does not recognize the rhetorical character of biblical texts and readings. If language is understood in the sense of ancient rhetorics as a form of power that constitutes reality, then an ethics of interpretation is called for. The task of biblical studies is to identify and assess the ethical resources and moral visions of biblical religions. Only then, Schussler Fiorenza contends, will biblical studies be a significant partner in the global struggles seeking justice and well-being for all.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
