

The WTO Case Law of 2002: The American Law Institute Reporters Studies (Paperback)

By -

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book, published in 2005, is the second annual report of the American Law Institute (ALI) project on World Trade Organization Law. The project undertakes yearly analysis of the case law from the adjudicating bodies of the WTO. The Reporters Studies for 2002 cover a wide range of WTO law ranging from classic trade in goods issues to intellectual property protection. Each case is jointly evaluated by well-known experts in trade law and international economics. The reporters critically review the jurisprudence of WTO adjudicating bodies and evaluate whether the ruling makes sense from an economic as well as legal point of view, and if not, whether the problem lies in the interpretation of the law or the law itself. The studies do not cover all issues discussed in a case, but they seek to discuss both the procedural and the substantive issues that form the core of the dispute.
