At 8: 12 on a sunny, September morning my doctors assistant called. How far are you away from a hospital she asked. And so began what would ultimately be my life with Ankylosing Spondylitis, also known as AS. . . AS literally impacts millions of American lives, yet is a disease very few people have heard of, let alone understand. Mention cancer to someone and they inevitably say, Oh! Say Ankylosing Spondylitis to that same person and theyll say, Huh While the lack of knowledge of AS is understandable, it leads to misunderstandings and, ultimately, frustrations for not only the millions of sufferers AS but their friends, family and acquaintances. What follows is a brief journey through Ankylosing Spondylitis. It is intended for both the sufferers of AS and their loved ones, and is an abridged version of what Ive experienced, what it is, what sufferers say and ultimately how it has made me a better person. It is a story of information, frustration and ideally hope. This item ships from La Vergne, TN. Paperback.
