Yet these kids also struggle with the realities of school, bullying, and the absence of a parent. As each season draws to a close, another one opens, revealing its own timeless mystery, things Jack and Alice could have never imagined but are the most important things in life: love, friendship, the power of the imagination, and eventually, immortality. Castle Juliet is a magical adventure of friendship and enchantment. There are surprises, laughter, and tears around every corner. It is a modern, whimsical fairy-tale for anyone who is playfully young at heart and longs to relive the magic of youth.
