

## Aristophanes: Frogs and Other Plays: A new verse translation, with introduction and notes (Paperback)

Filesize: 4.91 MB

### ***Reviews***

*This written book is excellent. It typically is not going to price a lot of. I found out this book from my dad and i encouraged this book to discover.*

*(Darrin Abbott)*

DOWNLOAD

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Aristophanes is the only surviving representative of Greek Old Comedy, an exuberant form of festival drama which flourished in Athens during the fifth century BC. One of the most original playwrights in the entire Western tradition, his comedies are remarkable for their brilliant combination of fantasy and satire, their constantly inventive manipulation of language, and their use of absurd characters and plots to expose his society's institutions and values to the bracing challenge of laughter. This vibrant collection of verse translations of Aristophanes works combines historical accuracy with a sensitive attempt to capture the rich dramatic and literary qualities of Aristophanic comedy. The volume presents *Clouds*, with its famous caricature of the philosopher Socrates; *Women at the Thesmophoria* (or *Thesmophoriazousae*), a work which mixes elaborate parody of tragedy with a great deal of transvestite burlesque; and *Frogs*, in which the dead tragedians Aeschylus and Euripides engage in a vituperative contest of literary criticism of each other's plays. Featuring expansive introductions to each play and detailed explanatory notes, the volume also includes an illuminating appendix, which provides information and selected fragments from the lost plays of Aristophanes.
