# THE GREENING OF U.S. FOREIGN POLICY (PAPERBACK)

Hoover Institution Press,U.S., United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. The contributors examine how international law is changing under pressure from global environmentalism-and how the United States has used green foreign policy to justify initiatives ranging from foreign aid programs to climate change proposals. They show how environmental issues are moving domestic and international agencies away from their original goals toward greener missions and reveal how energy companies and environmentalists often join forces to...
