Trafford Publishing, Canada, 2006. Paperback. Condition: New. Language: English . Downhill and slalom skiing were just emerging in the western United States. For the next eight years, he rode the ever-increasing wave of its popularity and was somehow involved in almost every winter sports event on Mount Hood before World War II, from publicist to organizer and often as a participant. Perhaps his most visible and lasting contribution to the history of Mount Hood was his early involvement in...
