Karoly was used as human-shield by Romanian liberators in Hungary. When, after the war, Hungary was under Russian communist control, he was arrested for being part of the Smallholder s Youth Party, a farmer s union. He was transferred to Marianosztra where he was given the option of starvation rations or working as a miner in a forced labour camp. Karoly worked in a coalmine until he escaped the regime in 1956. This is the story of a man who cheated death and suffered unimaginable privations before escaping to England to start again from nothing, a broken enfeebled refugee who rebuilt his life through hard work and determination.
