Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How can one person attract so much disaster? Quirky, clumsy, and eager-to-please Karly has more than her fair share of bad luck. Waaaay more. We first meet our 29-year-old accountant in her loud (the fire alarm is going off) and smoky (she s trying to bake) kitchen. During the chaos, Karly is dumped because of misunderstandings over a divorce lawyer she didn t hire and an affair she didn t have. This comes just weeks after performing a very efficient audit on a company.that wasn t actually a client. Oops. Single and unemployed, Karly continues tripping through life, both metaphorically and physically. She thinks her luck may be turning when she meets the perfect man but in true-to-Karly form, manages to scare him off. And he isn t just not returning her phone calls scared but more sprinting away across the parking lot screaming like a banshee scared. Crap. Just as she thinks it can t get any worse, it inevitably does. Is Karly destined to lead a life of loneliness and poverty or does fate have something else in mind?.
