Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sharklock Bones: Screenplays is a collection of the ten books that make up the Sharklock Bones: Fish Detective series. The series stars a talking shark detective and his capable clown fish assistant, Dr. Flotsam. All the books in the series are written in screenplay fashion to encourage interplay among the readers or actors. The stories are told using puns, jokes and word plays. The mysteries have many references to pop culture icons, songs, movies and plays which also amuses the grown up readers. The series is contains many pictures and illustrations aimed primarily at the younger market to pique and keep their interest. This publication, Sharklock Bones: Screenplays, is not illustrated. It is designed to be a possible lower cost alternative for readers of the series who are more interested in the content.
