

## Stock Market Gambling Addiction Help (Paperback)

By Dan Plouff

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The stock market is a casino that is designed to make you lose more money, the more you trade, and this book statistically explains why nearly all day traders and swing traders lose much more money much more frequently than slot machine gamblers do. This book teaches you why you will probably lose money in the stock market, and why you have lost money in the stock market. Most losers on the stock market make the same mistakes. Panic selling, panic buying, penny stocks, out of the money stock options, inexperienced trading strategies, day trading, swing trading, stop loss orders that don't work half of the time, hedging, and other issues are discussed in this book concerning why you are losing money if you are a new trader or investor. This book eliminates all emotions from investing so that you are much more likely to succeed as a long-term investor who doesn't care what the market does in the short-run, by investing an amount of money you aren't afraid to lose, and that is going towards...
