Book Tree,US, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This hymn or poem is an important Gnostic text and should be essential reading for anyone interested in early mystical literature. Also known as The Hymn of the Pearl, it is an allegorical tale. Instead of an outer journey, as it first seems, it is interpreted here as a deeper, inner one. It contains a message that can be quite profound, depending on the reader's level of spiritual understanding. This book works on the inner psyche, creating an interactive balance, in some cases, between the upper (hidden) and lower (physical) worlds. That was the aim of many Gnostic stories, poems and parables. With that in mind, this book has much to offer.
