There cannot be mental atrophy in any person who continues to observe, to remember what he observes, and to seek answers for his unceasing hows and whys about things. - Alexander Graham Bell Today, Alexander Graham Bell is remembered almost solely for one of the few things he didn t have in his laboratory: the telephone. Long hailed as the inventor of the telephone, that accomplishment has nevertheless overshadowed a long and legendary scientific career that saw Bell contribute to a vast number of fields, ranging from geology to aeronautics. Bell also had the misfortune of being outshined by his contemporary Thomas Edison, who invented the incandescent light bulb and has gone down in history as America s greatest inventor. Like many great scientists and inventors, Bell had an unusually gifted intellect that was nurtured...
