Politics and Administration in India (5 Volumes)

By S.K. Sharma, Usha Sharma

Mittal Publications, New Delhi, 2008. N.A. Book Condition: New. Administration has its own importance in the study of a country's history. Through-out the ages, it has been an integral part of the development process and played a significant role in the gigantic task of national development. Apart from maintaining law and order, it has a definite role in accomplishing the socio-economic and other needs of the society. The concept of administration has been undergoing radical changes all over the globe because of the new ideas, ideals, aspirations, and thought processes besides scientific and technological imperatives. In ancient and medieval India, administration was less complex; the needs of the society were simple. In colonial India, the administrators kept in view the interests of their masters for whom they were serving. However, in independent India, the accelerated pace with which our country too has progressed in the industrial and electronic era, the whole concept of administration in course of time has witnessed a sea change. The interest of common man in the welfare of society became the focus of administrative process. It is interesting to note that with a view to facilitate the smooth and orderly ruling of society, a number of...

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Catherine Wehner**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
