Once upon a time a postman near Mullingar, whose duty it was to clear a letterbox, found a swarm of bees in full possession of the interior of that receptacle. and when it was opened the bees sallied forth upon the postman, who beat a hasty retreat. Eccentric swarming seems hereditary in the bees of Mullingar. The town, which has for ages been celebrated for its great wealth in beggars, now promises to become celebrated for the peculiarities of its bees. NORTHAMPTONSHIRE AUTOMOBILE CLUB. --Meet at Apethorpe Hall. Photograph of the alcoves on the south side of the mansion where the motoring visitors partook of tea. The Hon. Leonard Brassey who is an enthusiastic motorist was, as will be seen, personally in evidence to look after the comfort of his visitors. The Lady, the Liner, the Jewels, and Napier Minor. THERE was an exciting scene at Southampton Docks and in the Solent one day last week, in which the principal actors were a West Indian liner, a lady passenger who had left her jewels...
