Explore Australia, Australia, 2016. Paperback. Condition: New. Third Edition, New edition. Language: English . Brand New Book. Now on its third edition, **Camping around Australia** has become the go-to guide for all recreational campers. And this edition is bigger and better than ever! With over 3200 campsites included across the country, particularly highlighting free and dog-friendly campsites, the problem isn't finding somewhere to camp - it's deciding where to camp out of the many great options. Basically the only thing the book doesn't do is set up your tent for you. All of the campsites and national parks have been completely updated, so you'll be across everything from Queensland's compulsory booking system for national parks and Victoria's new fee scale. So whether you're an urbanite wanting to get back to nature, a family wanting to spend quality time outdoors, or backpackers wanting to see the real country, there's no better guide for navigating Australia's campsites.
