Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Book 1: The Law of Attraction Without Magical Thinking This invaluable resource is not just another book on manifesting your desires like magic. The words contained within are beyond what is typically discussed, even by fully trained Law of Attraction advocates. This book will completely change your view of the new age thinking behind the Law of Attraction and give you a clear understanding of what it really means to create positive changes in your life. Whether it be for wealth, happiness, career, love, or health, you will realize the unmistakable truth, the secret if you will, to the mystery of getting what you want. Every mind is creating reality at this very moment. It is not some magical force from a fairy tale world that is behind how this happens. It is backed up by scientific evidence and cold hard facts. You will also discover the link between hypnosis, meditation, and other paradigms of the Law of Attraction in action, and how our reality is affected. Possibly one of the biggest secrets unveiled in this book is that things are not attracted to you. In fact, it is you who are attracted to things. There is no magical thought that will bring the things you desire into your life without first speaking these thoughts directly into your subconscious, where they can penetrate a deeper level of awareness. This in turn will bring you the conscious clarity to pursue your dreams and make them happen. This new way of using the Law of Attraction is called the Wilkes Method, the brainchild of mental sciences expert, Brian Wilkes. His quantum unicorn-free approach is both refreshing, and completely revolutionary. It is matter-of-fact...
