Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A beautiful and inspirational guide to making your animal portraits and artworks leap to life. In this book you will find 35 step-by-step tutorials on how to draw domestic and wild animals with colored pencils in a realistic style. You will learn to draw them, from both imagination and reference photos. Every tutorial consists illustrations with short explanations for each step based on the author s personal experience. The book is written and illustrated by a recognized fine artist, Jasmina Susak, whose life-like drawings are popular around the world. The drawing tutorials are easy to understand and apply, so whether you are a beginner or already have some experience, you can still follow along. This book also covers techniques for creating textures like fur, skin, that are traditionally difficult to make appear realistic, simple techniques for achieving amazingly realistic compositions, including layering and burnishing. You ll learn tips for blending colors and creating subtle gradients in your drawings. This book can be a perfect gift for animal lovers particularly children, since the book contains more hundred images. This book is a great choice for anyone who appreciates visual art, whether you want to create it yourself and learn through close observation, or just peek behind the curtain to see how such work is done. Enjoy learning!.
