The University of Michigan Press. Paperback. Book Condition: new. BRAND NEW, Testing Academic Reading Processes: A Reproducible Resource for Reading Courses, Brian Altano, Additional reading exercises and quizzes for busy teachers This book contains reproducible activities for extra reading skills practice. It presents cloze exercises, mystery passages that emphasize interviewing skills, sentence completion practice, three different vocabulary activities, and exercises on appropriate and inappropriate adjectives. Ten reading comprehension quizzes are also included and serve as standalone readings that are excellent practice for the Next Generation TOEFL and other proficiency tests. Although designed as a companion for Reading Processes and Structures, it can be used with any reading skills textbook or in any course where reading skills require further development.
