Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

STORY OF SACAJAWEA COLOURING BOOK (MIXED MEDIA PRODUCT)

Dover Publications Inc., United States, 2002. Mixed media product. Condition: New. Language: English . Brand New Book. 2003 marked the Bicentennial of the Lewis and Clark Expedition and schools, libraries and other organizations planned special events and projects. A major character in the story of the expedition is Sacajawea. She was just a Shoshone teenager when she helped lead explorers Lewis and Clark through the wilds of the American Northwest. The carefully rendered illustrations in this book vividly depict scenes from the life of this remarkable young Native American -- her abduction as a child by enemy tribesmen, life as a captive, and marriage to a French trader, her invaluable service during the expedition as an interpreter and guide (1805), and her eventual return to the land of her childhood. Informative captions included.
