Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Robotics Program: A How-to-Guide for Physician Leaders on Starting Up a Successful Program builds on the concept that successful programs can be differentiated from unsuccessful programs by seven core elements. Dr. Loftus describes his personal journey as a physician executive in developing a surgical robotics program for a large healthcare system. He demonstrates how to incorporate the seven core elements in the development, implementation and sustainability of a robotics program. Reader Comments: It was truly outstanding and an interesting read. I think it s a great guide for any physician trying to lead a robotics program. I ve finished reading your book, and I found it amazing. I think it s not only a guide for starting a robotic program, but also a guide for starting any program. I will use all the tips you give for leadership .It was an inspiring reading.
