STEIN'S METHOD AND APPLICATIONS

World Scientific Publishing Co Pte Ltd. Hardback. Book Condition: new. BRAND NEW, Stein's Method and Applications, Louis H. Chen, A.D. Barbour, Stein's startling technique for deriving probability approximations first appeared about 30 years ago. Since then, much has been done to refine and develop the method, but it is still a highly active field of research, with many outstanding problems, both theoretical and in applications. This volume, the proceedings of a workshop held in honour of Charles Stein in Singapore,...

Reviews

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dr. Easton Collier DVM**

An exceptional publication and the typeface used was exciting to read through. It is probably the most awesome ebook i actually have study. I am delighted to inform you that this is the greatest publication i actually have go through inside my individual existence and could be he finest book for actually.

-- **Deondre Lang**

Very beneficial to all of type of people. It typically does not charge a lot of. Your life period will probably be change once you full looking at this book.
