Bantam Doubleday Dell Publishing Group Inc, United States, 2006. Paperback. Condition: New. New edition. Language: English . Brand New Book. Powerful. Sensual. Seductive. He is all that is shamelessly erotic in a man. In her sexiest Highlander novel yet, New York Times bestselling author Karen Moning stirs up a sizzling brew of ancient mystery and modern passion as she brings together a devilishly handsome Celtic warrior trapped in time . . . and the woman who s about to pay the ultimate price for freeing him. Age-old secrets haunt them. Deadly danger and irresistible desire shadow their every move. It s a relationship for the ages. And all that separates them is a mere thirteen hundred years. . . . Jessi St. James has got to get a life. Too many hours studying ancient artifacts has given the hardworking archaeology student a bad case of sex on the brain. So she figures she must be dreaming when she spies a gorgeous half-naked man staring out at her from inside the silvery glass of an ancient mirror. But when a split-second decision saves her from a terrifying attempt on her life, Jessi suddenly finds herself confronting six and a half feet of smoldering, insatiable alpha male. Heir to the arcane magic of his Druid ancestors, eleven centuries ago Cian MacKeltar was trapped inside the Dark Glass, one of four coveted Unseelie Hallows, objects of unspeakable power. When the Dark Glass is stolen, an ancient enemy will stop at nothing to reclaim it, destroying everything in his path-including the one woman who may just hold the key to breaking the ninth-century Highlander s dark spell. For Jessi, the muscle-bound sex god in the mirror is not only tantalizingly real, he s offering his protection-from exactly what, Jessi doesn t know. And all...
