## The T-Factor Diet (Paperback)

By Martin Katahn

WW Norton Co, United States, 2001. Paperback. Condition: New. Revised and Updated. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. By now, most people who have tried some of the recent fad diets have realized that those diets don't work; weight lost in the initial stages is eventually gained back, leaving the dieter at the same weight as before, or even heavier. What does work, however, is the program outlined in The T-Factor Diet, the groundbreaking book that has sold well over a million copies since initial publication. Its runaway success launched the best-selling T-Factor Fat Gram Counter and its companion guides, changing a nation's attitude toward high-fat foods. This book's scientifically proven advice remains true today: by understanding the T-factor or thermogenic effect, in which carbohydrate calories are burned faster than fat calories, you can lose weight quickly and safely, and keep it off—all without going hungry. Dr. Martin Katahn explains how to choose foods that naturally maximize the T-factor level, thus activating the body's hidden fat-burning potential; he also includes exercises, recipes, and meal plans.

### Reviews

*This written pdf is wonderful. It can be written in easy phrases and not difficult to understand. Your lifestyle span will likely be enhanced once you fully look over this ebook.*

*-- Juanita Reynolds*

*This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly getting a satisfaction of studying a created pdf.*

*-- Alfreda Bradtke*
