

The Many Deaths of Scott Koblisch

By Scott Koblisch

Chronicle Books. Hardcover. Condition: New. 96 pages. Dimensions: 8.0in. x 0.0in. x 6.0in. Marvel Comics artist Scott Koblisch (Deadpool, Spider-Man) has been illustrating his own demise for many years in morbidly funny, 4-panel black-and-white comics. He's the one person struck by a comet, suddenly overrun by a pack of baboons, resting under the precarious rock tipped by a single bird, or the target of his daughters' (of course homicidal) teddy bear come to life. Though it's always Scott on the receiving end, the comics perfectly capture that irrational feeling we all have that everything can go very wrong in one irrevocable, albeit hilarious instant. Slapstick, surreal, and eerily plausible, with extended scenarios and pops of color throughout, this collection of cosmic reckonings shows that if the end is nigh, at least it'll probably be funny. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

A fresh e-book with a brand new perspective. This is certainly for anyone who states that there had not been a really worth reading. I am just happy to explain how this is the very best publication I have gone through in my individual lifestyle and may be the best pdf for ever.

-- Margaret Roob

The very best publication I possibly study. This is certainly for anyone who states there was not a worth looking at. I am just very happy to tell you that this is basically the best pdf I actually have studied inside my individual life and could be the very best pdf for possibly.

-- Darlene Blick
