The Designful Company: How to Build a Culture of Nonstop Innovation

By Marty Neumeier

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, The Designful Company: How to Build a Culture of Nonstop Innovation, Marty Neumeier, Part manifesto, part handbook, THE DESIGNFUL COMPANY provides a lively overview of a growing trend in management-design thinking as a business competence. According to the author, traditional managers have relied on a two-step process to make decisions, which he calls "knowing" and "doing." Yet in today's innovation-driven marketplace, managers need to insert a middle step, called "making." Making is a phase in which assumptions are questioned, futures are imagined, and prototypes are tested, producing a wide range of options that didn't exist before. The reader is challenged to consider the author's bold assertion: There can be no real innovation without design. Those who are new to Marty Neumeier's "whiteboard" series may want to ramp up with the first two books, THE BRAND GAP and ZAG. Both are easy reads. Covered in THE DESIGNFUL COMPANY: - the top 10 "wicked problems" that only design can solve - a new, broader definition of design - why designing trumps deciding in an era of change - how to harness the "organic drivetrain" of value creation - how aesthetics add nuance to...
