*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## HOME DEPARTMENT COOK BOOK (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Home Department Cook Book The Home Department of Boylston Sunday School, now in its tenth year, is one of the most important activities of the Church, Since the close of its first year it has been under the most efficient leadership of Miss Helen S. Whitney, to whose loving devotion is mainly due its great success. Her earnest labors, with those of her zealous assistants, have resulted in a steady, healthy growth from the original membership of forty, until it now numbers more than one hundred, and is not only entirely self-supporting, but of considerable financial help to the Church. Its greatest value, however, is spiritual. A great stimulus has been given to the study of the Bible in our midst. Parents have taken up the study of the same lessons given their children in the Sunday School. Thus the interest of both is greatly increased in the Bible, the School, and the Church, while through its visitors, the Home Department has established a vital bond of love and sympathy between the Church and many who would not otherwise come under its influence.
