

## Felt Christmas Decorations

Filesize: 2.33 MB

### **Reviews**

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## FELT CHRISTMAS DECORATIONS

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Felt Christmas Decorations, Corinne Lapierre, Felt is a beautiful material to work with. Soft, natural and highly tactile, it is relatively cheap to buy, is widely available in a huge range of colours, and is very easy to work with. It has become a popular material for all sorts of consumer goods, including jewellery, toys and Christmas decorations. The twenty projects in this book include a range of decorations suitable for Christmas, including hanging tree decorations, a Christmas wreath, an advent calendar garland, free-standing felt ornaments, a Christmas cottage storage box and a bottle gift bag. The designs have a fresh, contemporary look that will appeal to a young audience as well as more traditional crafters, and all the projects are suitable for beginners as well as more experienced sewers. The easy-to-make pieces use pre-bought felt (no wet felting or needlefelting is involved) and include step-by-step instructions, lists of the materials and tools needed, and a beautiful photograph of the finished piece. Templates are provided where required, and the basic techniques and stitches required are included at the start of the book.
