### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

While the German Democratic Republic s secret State Plan was in effect, more than ten thousand unsuspecting athletes were given massive doses of anabolic steroids. These athletes achieved massive success at the Olympics, but for many their physical and emotional health was permanently damaged. This new revised edition of Faust s Gold draws on the revelations of criminal trials of GDR coaches, doctors and officials who have now confessed to ruthless medical experiments. This new edition highlights recent cases of performance enhancing drugs used in baseball, the BALCO scandal and international cycling.
