Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book reviews one of the greatest civilizations that would compare with the Hebrews or the Egyptians in complexity and endurance. The Meso-Americans were founded by the Olmecs but included the Mayas and the Aztecs of Mexico and Central America who flourished until the European conquests of the 16th century by Cross and Crown, and, perhaps, the greatest of all human tragedies in the killing and taking of the land of the Meso-Americans, a civilization still being uncovered, including pyramids and other structures that compare with the Egyptians, and a cosmic perspective still under study.
