

Le Prince (1515) (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

(Derick Brekke)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Le Prince est un traite politique ecrit au debut du xvie siecle par Nicolas Machiavel, homme politique et ecrivain florentin, qui montre comment devenir prince et le rester, analysant des exemples de l histoire antique et de l histoire italienne de l epoque. Parce que l ouvrage ne donnait pas de conseils moraux au prince comme les traites classiques adresses a des rois, et qu au contraire il conseillait dans certains cas des actions contraires aux bonnes moeurs, il a ete souvent accuse d immoralisme, donnant lieu a l epithete machiavelique . Cependant, l ouvrage a connu une grande posterite et a ete loue et analyse par de nombreux penseurs.
