

Leadership Dispatches Chiles Extraordinary Comeback from Disaster High Reliability and Crisis Management

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

LEADERSHIP DISPATCHES CHILES EXTRAORDINARY COMEBACK FROM DISASTER HIGH RELIABILITY AND CRISIS MANAGEMENT

Stanford Business Books. Hardcover. Condition: New. 256 pages. On February 27, 2010, Chile was rocked by a violent earthquake five hundred times more powerful than the one that hit Haiti just six weeks prior. The Chilean earthquake devastated schools, hospitals, roads, and homes, paralyzing the country for weeks and causing economic damage that was equal to 18 percent of Chiles GDP. This calamity hit just as an incumbent political regime was packing its bags and a new administration was preparing to take office. For most countries, it would have taken years, if not decades, to recover from such an event. Yet, only one year later, Chiles economy had reached a six percent annual growth rate. In Leadership Dispatches, Michael Useem, Howard Kunreuther, and Erwann Michel-Kerjan look at how the nations leadersin government, business, religion, academia, and beyondfacilitated Chiles recovery. They attribute Chiles remarkable comeback to a two-part formula consisting of strong national leadership on the one hand, and deeply rooted institutional practices on the other. Coupled with strategic, deliberative thinking, these levers enabled Chile to bounce back quickly and exceed its prior national performance. The authors make the case that the Chilean story contains lessons for a broad range of organizations and governments the world over. Large-scale catastrophes of many kindsfrom technological meltdowns to disease pandemicshave been on the rise in recent years. Now is the time to seek ideas and guidance from other leaders who have triumphed in the wake of a disaster. In this vein, Leadership Dispatches is both a remarkable story of resilience and an instructive look at how those with the greatest responsibility for a country, company, or community should lead. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
