

A Commentary on the Greek Text of the Epistles of Paul to the Thessalonians (Classic Reprint) (Paperback)

Filesize: 6.79 MB

Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.
(Prof. Damon Kautzer III)

A COMMENTARY ON THE GREEK TEXT OF THE EPISTLES OF PAUL TO THE THESSALONIANS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Commentary on the Greek d104 of the Epistles of Paul to the Thessalonians Thessalonica (oedaakom xn) was formerly called Therma (oe pw; or and the gulf on which it stood was named Therma/0218 Sinus, on account of the hot salt springs which abounded in the vicinity. Two earlier legendary names have been handed down, Emathia and Halia.¹ The origin of the present name has been variously accounted for. According to Strabo,² Therma was rebuilt by Cassander, who added to it the population of three small towns near it, and called it Thessalonica, after his wife, a daughter of Philip. Stephen of Byzantium records, that Philip himself bestowed the new appellation in honour of a victory gained by him over the Thessalonians; ³ while in the Etymologie cum M agmom it is said that Philip gave the name in honour of his daughter whose mother had died in childbirth. Xerxes, according to Here dotes, paused at Therma, while his ?eet cruised in the gulf, and his army lay at a short distance; and the town is men tioned by this early name twice at least in Greek history.⁵ But the more ancient names have long passed out of View. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
