Sleep better, live longer with the groundbreaking information and step-by-step program in this revolutionary book. And yet we are a sleep-sick society, ignorant of the facts of sleep--and the price of sleep deprivation. In this groundbreaking book, based on decades of study on the frontiers of sleep science, Dr. William Dement, founder and director of the Stanford University Sleep Research Center, explains what happens when we sleep, when we don't, and how we can reclaim the most powerful--and underrated--health miracle of all.
