Profile Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Main. Language: English . Brand New Book. Designed as a companion to The Economist Style Guide, the best-selling guide to writing style, The Economist Numbers Guide is invaluable for everyone who has to work with numbers, which in today s commercially focussed world means most managers. In addition to general advice on basic numeracy, the guide points out common errors and explains the recognised techniques for solving financial problems, analysing information of any kind, forecasting and effective decision making. Over 100 charts, graphs, tables and feature boxes highlight key points, and great emphasis is put on the all-important aspect of how you present and communicate numerical information effectively and honestly. At the back of the book is an extensive A-Z dictionary of terms covering everything from amortisation to zero-sum game. Whatever your business, whatever your management role, for anyone who needs a good head for figures The Economist Numbers Guide will prove invaluable.
