Animals Matter: A Biologist Explains Why We Should Treat Animals with Compassion and Respect

By Marc Bekoff, Jane Goodall

Shambhala Publications Inc. Paperback. Book Condition: new. BRAND NEW, Animals Matter: A Biologist Explains Why We Should Treat Animals with Compassion and Respect, Marc Bekoff, Jane Goodall, Nonhuman animals have many of the same feelings we do. They get hurt, they suffer, they are happy, and they take care of each other. Marc Bekoff, a renowned biologist specializing in animal minds and emotions, guides readers in looking at scientific research, philosophical ideas, and humane values that argue for the ethical and compassionate treatment of animals. Citing the latest scientific studies and tackling controversies with conviction, he zeroes in on the important questions, inviting reader participation with "thought experiments" and ideas for action. Among the questions considered: Are some species more valuable or more important than others? Do some animals feel pain and suffering and not others? Do animals feel emotions? Should endangered animals be reintroduced to places where they originally lived? Should animals be kept in captivity? Are there alternatives to using animals for food, clothing, cosmetic testing, and dissection in the science classroom? What can we learn by imagining what it feels like to be a dog or a cat or a mouse or an ant? And, what can we...
