There was nothing extraordinary about Amanda Burrages life. Working in a library by day and helping out at a homeless shelter a few evenings a week was a lonely existence, but within a few hours, it was going to be an existence that would be lost to her forever! Her life was about to be turned upside down, as she would find herself walking into a storm that would open her mind to a world which belonged on the pages of books and bad horror movies. She was also about to discover that she was part of a group called The Hidden! Thrust into a world of horror and the supernatural, where figures that should have belonged in the world of fantasy and the paranormal, had appeared, to take her in order to manipulate the gifts that she possessed for their own ends. Gifts, that she had been completely unaware of. The jackals from The Faction had come first, and they would have claimed her if it hadn't been for the appearance of Fenris Lyall, a tall, silent, and mysterious...
