Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

DOWN OUT: THE MAGAZINE: VOL 1, ISSUE 1 (VOLUME 1)

Down & Out Books. Paperback. Condition: New. 166 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. We know a healthy appetite for well-written short stories exists and we want to help make things better. Our goal with Down and Out: The Magazine is to be a little different than other magazines by standing on the shoulders of the giants that have come before us, or at least tiptoe along the arrows in the backs of the pioneers of modern magazine publishing. Each issue will feature a story based on a series character like this issue's brand-new Moe Prager story by Reed Farrel Coleman. If you're a fan of Moe, who is now retired, you'll want to read this fantastic story. We also have new tales by established and well-known writers. This debut issue includes series stories by Eric Beetner, Michael A. Black, Jen Conley, Terrence McCauley, Rick Ollerman, and Thomas Pluck. J. Kingston Pierce, fresh off his former beat from Kirkus Reviews, introduces Placed in Evidence, his non-fiction column only to be found here. Finally, we'll take a bit of the long road as we answer the question of what happened to crime fiction after Dashiell Hammett and Raymond Chandler moved on from the pulps in A Few Cents a Word. This issue we re-introduce Frederick Nebel with the first of his Donahue series, Rough Justice. This is a fun one. For fans of good writing, good literature, and good crime. . . welcome. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
