Tamara N. Fox, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The heart, mind and spirit of Amunet Wolfbane has finally been brought to life through her own blood, sweat and tears. Like the heart of a gypsy who holds no roots to grounds called home, her poetry holds no roots to form and thus, in permanent ink she has etched everything from classic memories and contemporary thoughts to the mysteries of spirituality enveloped in her soul. With each turn of the page you will see just how truly unique and talented she is as she comes to life one poem at a time. These are her words, her tales, her stories, her. Manifestation. This book contains over 300 pages of poetry and prose written over the last decade by Amunet Wolfbane. Whether you are of higher mind and soar through the ethers or stay grounded to our mundane reality, this book will transcend you, opening your heart, mind and spirit to a world of journeys for the soul.
