Candlewick Press,U.S., United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Does anyone ever see us for who we really are? Jo Knowles s revelatory novel of interlocking stories peers behind the scrim as it follows nine teens and one teacher through a seemingly ordinary day. Thanks to a bully in gym class, unpopular Nate suffers a broken finger--the middle one, splinted to flip off the world. It won t be the last time a middle finger is raised on this day. Dreamer Claire envisions herself sitting in an artsy cafe, filling a journal, but fate has other plans. One cheerleader dates a closeted basketball star; another questions just how, as a big girl, she fits in. A group of boys scam drivers for beer money without remorse--or so it seems. Over the course of a single day, these voices and others speak loud and clear about the complex dance that is life in a small town. They resonate in a gritty and unflinching portrayal of a day like any other, with ordinary traumas, heartbreak, and revenge. But on any given day, the line where presentation and perception meet is a tenuous one, so hard to discern. Unless, of course, one looks a little closer--and reads between the lines.
