They are arranged here chiefly in accordance with the order of time. The sermon on **Our Heritage** occupies the first position, because it forms a fitting introduction to the general subject. The second, on **Obedience to the Civil Authority**, was preached in the summer of 1861, when the nation began to realize that a war gigantic proportions was upon us, and Christian men were earnestly inquiring the path of duty. The third, on **The Signs of the Times**, was preached at a camp-meeting in the valley of Wyoming, about the time of the second battle of Bull Run.
