

## The Life and Letters of Faraday 2 Volume Paperback Set

Filesize: 8.36 MB

### **Reviews**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Lupe Connelly)*

## THE LIFE AND LETTERS OF FARADAY 2 VOLUME PAPERBACK SET

Cambridge Library Collection, United Kingdom, 2010. Paperback. Book Condition: New. Reissue. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Michael Faraday (1791-1867) made foundational contributions in the fields of physics and chemistry, notably in relation to electricity. One of the greatest scientists of his day, Faraday held the position of Fullerian Professor of Chemistry at the Royal Institution of Great Britain for over thirty years. Not long after his death, his friend Henry Bence Jones attempted to join together his words, and to form them into a picture of his life which may be almost looked upon as an autobiography . Jones compilation of Faraday s manuscripts, letters, notebooks, and other writings resulted in this Life and Letters (1870) which remains an important resource for learning more about one of the most influential scientific experimentalists of the nineteenth century. Volume 1 is devoted to his early career, while Volume 2 describes his research on electricity, his work as a scientific adviser to the government and industry and his service to education.
