1983: THE KFC MURDERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Seven years after losing her first husband, Diana is introduced to Paul Houston through a mutual friend. Paul was in his late 20 s and serving time in a Texas prison. Under normal circumstances, Diana would have never dated anyone who had been in prison. But this was a total different situation than that of most criminals in the prison system. He was in prison after being shot by his dad, a retired law enforcement officer. His dad explained to Diana that it was all a matter of some misunderstandings. Wayne admitted that Paul had been a little on the wild side in his younger years. He told how Paul was on probation the night that they got into an argument and he pulled out his gun. But he insisted that it was all an accident when the gun discharged hitting Paul. Although no charges were filed on either part, Paul s probation was revoked and he was sent to prison. When Diana first met Paul, they quickly became the best of friends. Diana thought that he was the man of her dreams. His tall and large stature made him appear to be the picture of strength. His skills at hunting, fishing and gardening made Diana feel that he was a very resourceful man who knew how to live off the land. After serving three years in prison, Paul was ready to start a new life with Diana. Although he had a strike against him for having a criminal record, they felt that it was an obstacle that they could overcome. His past was his past and Diana was ready to make a future with him. But...
