American Bar Association, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Years ago Alden Leeds found a rich vein of gold in the Klondike. Now his greedy relatives fear he s planning to grow his fortune away on a gold-digging spouse, Emily Millicant. So to prevent the two from joining in holy matrimony, they commit their affluent kin to a sanitarium on a trumped-up charge. Then Leeds escapes, only to end up in the company of Emily s blackmailing brother, John, a manufacturer of fixed dice, rolling bones that always come up seven. But when John is murdered, with Leeds fingerprints found all over the apartment, Perry Mason must crack a baffling case before his clients bumps from the nut house to the jail house. With the reissue of this iconic series-many titles of which have not been in print for years--it is out hope at Ankerwycke to introduce a whole new generation of readers to the investigative brilliance of Perry Mason and the masterful storytelling of Erle Stanley Gardner, drawing together a new and a connected family of fans throughout the world.
