Wayne State University Press, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bobweaving Detroit is Murray Jackson s final collection of poems. Dr. Jackson, a highly respected educator, political figure and philanthropist, as well as an internationally known poet, offers work rich in the history and hope of Detroit s Black urban--and urbane--tradition. Jackson was a Classicist as well as an athlete, an inspiring teacher and an inspired humanist whose poems engage the blues vernacular, a wide palate of visual arts, and a broad spectrum of musical sources. Murray Jackson was always a poet, though he first published with Broadside Press, Detroit s and the nation s longest continuously publishing Black poetry press, after a long career of public service during which he opened Detroit s first community college and many other educational and artistic venues to his fellow citizens and scholars. Readers of poetry and lovers of the arts, humanities, and athletics can recognize and join Jackson s conversations--his bobweaving -- with Langston Hughes, Julius Caesar, Mozart, Duke Ellington, Archie Moore and Marianne Moore, William Shakespeare and Willie the Pimp, Coleman Hawkins and Coleman Young, Malcolm X and Malcolm Boyd.
