BEST FRIENDS 1: THE BEGINNING (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sometimes being in the wrong place at the right time can be a good thing. Oh well, I will go in. I close my eyes as I get into the girls locker room though, I can live with bruises, I m not sure I could explain a black eye to my mom s satisfaction. I am ready to call out when from inside I hear a voice that is plainly angry and plainly Mindy. I know that voice well, but now I hear boys voices laughing. I shouldn t be hearing that in here. I follow the sound and wind up just outside the girls shower room. This is not good, what in the heck is going on? I hear Kathy s contemptuous voice. You will never get away with it and when Ed catches you, you ll be very sorry. I hear a boy s voice answer. Well, he will never find out will he? Because if you tell anyone the next one we get will be your aunt or maybe your mom. Then he laughs a very evil laugh. I know that voice, I pinned him tonight. Now I am mad but I want to make sure I get as much information as I can before I go in to break this up. Join Eddie, Mindy, Kathy, Ramona, and Amy as they forge a friendship and share life s adventures together. This first book in the Best Friends series introduces you to Eddie Marlow and his ever increasing group of friends as they experience growing up in a world where true friendship is a very scarce commodity.
