Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Declaration of Sentiments and Constitution of the American Anti-Slavery Society At the sound of their trumpet-call, three millions of people rose up as from the sleep of death, and rushed to the strife of blood; deeming it more glorious to die instantly as freemen, than desirable to live one hour as slaves. They were few in number - poor in resources; but the honest conviction that Trust, Justice, and Right were on their side, made them invincible. We have met together for the achievement of an enterprise without which that of our fathers is incomplete, and which, for its magnitude, solemnity, and probable results upon the destiny of the world, as far transcends theirs as moral truth does physical force. In purity of motive, in earnestness of zeal, in decision of purpose, in intrepidity of action, in steadfastness of faith, in sincerity of spirit, we would not be inferior to them. Their principles led them to wage war against their oppressors, and to spill human blood like water, in order to be free.
