Boiler Plant and Distribution System Optimization Manual (Hardback)

By Harry R. Taplin

Apple Academic Press Inc., Canada, 2014. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. The Third Edition of the Boiler Plant and Distribution System Optimization Manual has been upgraded with ten new checklists with over 100 ways to improve performance with 50 additional illustrations to communicate specific information about applying these technologies. The new checklists serve as a handy reference for designing an energy plan for your plants. Understanding that funds for energy come directly from your bottom line, this book has been designed for those tasked with increasing profits by reducing fuel costs while also reducing pollution and carbon footprints with attention to plant safety. The author presents many complex boiler-related topics in a simple and understandable way to simplify the decision-making process.
